25X1 8. [] Delivered transmittal letters for the Agency retirement quota legislation to the office of President of the Senate and the House Speaker.

25X1 9. [] Talked to Bill Hogan, House Armed Services Committee staff, and confirmed with him the executive session in Room 2337 RHOB at 10:00 a.m. tomorrow for the Director's briefing on the Agency retirement bill. He told me that from his present information he and Frank Slatinshek will be the only staff personnel present. Chairman Nedzi and Representatives Arends, Wilson, Price and Hebert will be in town and hope to be present. Representatives Bray and Fisher will be out of town.

Hogan noted we will need to edit the transcript as soon as possible so they will be able to proceed with getting the matter before the full Committee. He noted that in the bill introduced by Nedzi the numerals 800 and 2100 are used and suggested a brief statement in the presentation to cover the technical matter of substituting the words "eight hundred" and "twenty-one hundred" in lieu thereof. Our recommendation in our presentation should be sufficient to take care of this technical question.

Hogan told me the Subcommittee was polled this afternoon and voted tomorrow's session thereby capping administrative requirements imposed by the new House rules.

25X1 10. [] Received a call from Charles Andrews, Columbia Reporting firm, who inquired whether the Agency will be providing security controls for the reporter's notes and transcript of the Director's testimony tomorrow. I told him we would not and relayed this information to Bill Hogan.
